

## LESSON 15

# BUILDING FRIENDSHIPS (part 2)

---

### *Being a Listening Follower*

The follower of Jesus is to give full reverence. For when is bought with so high a price, it only is logical to unapologetically give full attention.

Read Exodus 3:1-6 – open for discussion.

v.5 - I am to be struck by the distance between me and God when it comes to perfection.

Challenge: I must always seek to approach God with a reverent heart in order to know Him better.

By taking off his shoes, Moses was showing respect and submission to God. We often bring things to God half-heartedly and think He is worthy of it.

*How can we practically show God the awe and reverence He is due?*

### *Being a Listening Follower*

As a follower of Jesus gives reverence to the Lord, so should a friend be a good listener.

- Watch your body language (Prov. 6:12-14)
- Focus (Martha lost focus of the important | Lk. 11:41-42)
- Don't get defensive (Prov. 14:29)
- Re-state their views (Prov. 11:14)
- Agree to disagree
